
Purpose

Posted by steve - 2008/05/08 12:13

The purpose of this Forum is to allow members of the TRIZ community to discuss TRIZ topics. Ideally TRIZnics would take it upon themselves to spend some time on the forum answering questions for those who are new to TRIZ or wish to learn more. Please participate in this forum because it has tremendous potential to bring the teaching and dissemination of TRIZ to a whole new level. Have fun! :laugh:
